Field trips and extra-curricular activities occurring after school, such as athletics in grades 5 through 8, will have a fee.

Tuition Assistance

A pre-determined amount of funds is available for assisting families with tuition costs. Qualification is based on need as determined by a third party evaluation through the submission of a confidential assessment form and the most recent IRS 1040. It is extremely important that families seeking tuition assistance submit the necessary forms (confidential assessment application and IRS 1040) *by the required date to the school office*. Families will then be notified by mail in late spring/early summer as to the amount of tuition assistance granted. Should families need to discuss their tuition assistance further, they must call the school office and set up an appointment with a member of the school commission, pre-selected to serve in this capacity.

Should a need arise in the area of tuition or any other school-related expense during the school year, please contact the school office immediately for help in the matter.
